IMPORTANT TO KNOW

- Usage of the driving, hiking and bike trails is at your own risk
- Follow the yellow route signs
- Conditions of the road can vary, drive with limited speed
- Cars with high ground clearance are recommended
- Don't leave any valuables in your vehicle
- Sometimes the police are having target practices. Please acknowledge red flags and follow instructions.

Hiking
In the area of Bara di Karta there are 3 walking trails, marked with pink stones. The trails Red Hill, Washikemba and Bara di Karta take respectively about 90 minutes, 60 minutes and 30 minutes. In general the surface is uneven and slightly hilly. The trail Bara di Karta consists of a relatively steep climb to the top where you will find an amazing view over the island. Hiking shoes, hat, sunscreen and drinking water are recommended.
For guided tours see www.tourismbonaire.com

Mountain biking
Bara di Karta can be explored on a mountain bike. The blue markers in the field guide the mountain bikers around Red hill (5.5 km) and Yatu Baku (12-20 km). Experienced mountain bikers can combine the two trails or make multiple loops. The trails can be found in Strava.
Be aware of other people who use the trail.
